Dear Mr Hearn

## **Re: Tavistock Guildhall Gateway Project**

I write on behalf of Calstock Parish Council to wish you every success in your bid to the HLF.

Restoring such an iconic building would be a major achievement in itself. To also enable the public to access learning, develop their skills and interest through volunteering and for visitors to explore the building and heritage of the local area will provide a fantastic opportunity.

We live in such a wonderful area; not just picturesque but full of history. Initiatives that support heritage, education and the local economy should be applauded.

Yours sincerely
