

Tavistock Goose Fair 2021

EXHIBITOR INFORMATION

Tavistock Goose Fair is an annual town event organised by Tavistock Town Council which dates back to the early 12th Century. Each year we welcome a variety of Exhibitors and community groups from near and far to provide a vibrant display of wares and entertainment to visitors.

The 2021 event is scheduled to be held on Wednesday 13th October. Goose Fair is an all day outside event which runs late into the evening, finishing when the crowds disperse approximately around 10pm. Exhibitors applying must be prepared to trade until the event finishes and so we strongly suggest you come equipped with lighting. Exhibitors are required to provide their own marquees, power and water supply.

If you wish to be considered for a trading position at the event, please complete and return the Exhibitor Application Form along with a photo of your display and /or website/ brochure of your business / product range.

Once we have received the completed forms we will review the information provided to see if one of our available pitches mutually suits our respective requirements. The positioning of the exhibitor stand will be at the discretion of the Event Management Team. Successful applicants will be required to complete the appropriate risk assessment forms, and submit a copy of their public Liability Insurance.
