305. TOWN PLANNING ISSUES

a) Proposed Open Space, Sport and Recreation Plan (OSSR) - the Committee considered Minute No. 279, as approved and accepted by Council, together with the additional information provided, in order that a Recommendation could be put to Council to determine how to proceed with the proposed Plan;

RECOMMENDED THAT Tavistock Town Council consider the appointment of a Task Group of 3/4 Members, after the forthcoming election, working with West Devon Borough Council, to lead the co-ordination, consultation and development of an OSSR Plan to inform the expenditure of future S106 monies for sport, leisure and recreational purposes.

Noted that due to organisational capacity issues it was acknowledged that if the Council were to lead on the OSSR Plan it would necessarily and appropriately be a Member led and delivered process, reporting back through this Committee to Council.

306. GENERAL CORRESPONDENCE

a) The Committee considered the letter received from Devon County Council's Senior Transport Planning Officer, in response to the letter which had been sent by the Chairman of Development Management & Licensing Committee which had raised concerns regarding the lack of additional infrastructure planned in the town, despite ongoing major housing development (Minute No. 268 referred).

RECOMMENDED THAT Tavistock Town Council consider how/if it should respond to the letter, due to the lack of new funding proposed and the impact this could have for education and other matters in the town, and for its residents.
