

**Application to Name and Number a New St - Ref: 1021324**

We have received an application to name and number a new development in Tavistock. Please find location plan attached.

The applicant has not provided any suggestions for street names and would like the Town Council to name the new roads.

I would therefore be grateful if you could get back to me with some road name suggestions.

It would appear that we need at least 8 new names, so it would be helpful if you could suggest perhaps 8 or 9 preferred options with a few extra in case any do not comply with our naming policy. Bear in mind that the new names must not duplicate any existing road names in the Tavistock area. A copy of our naming policy is attached for your reference (pages 6 & 7 are most relevant).

I look forward to hearing from you,

Yours sincerely
