## **Pannier Market Report September/October 2018**

### **General Update**

- At present the Pannier Market has a vacancy for a new NMTF Chairman; in the meantime the Vice Chairman will take up this position until a new Chairman is appointed.
- Goose Fair went extremely smoothly this year from the perspective of the Pannier Market, footfall was good all day and Butchers' Hall being open this year was a welcome addition and provided a natural flow from market road through to the markets complex.

### **Bedford Square**

Bedford Square has had to be cancelled a few times recently due to the high winds and heavy rain, however trade has been fairly abundant for this time of year as it has remained fairly mild.
