253. CONFIRMATION OF MINUTES

RESOLVED THAT The Minutes of the Meeting of the Development Management & Licensing Committee held on Monday 15th November, 2021 be confirmed as a correct record and signed by the Chairman (Appendix 1).

254. DECLARATIONS OF INTEREST

Councillor P Squire Declared an Interest in Planning Application 4213/21/TPO Virginia Cottage, Mount Tavy Road, Tavistock PL19 9JE by virtue of a friendship with the applicant.

255. DARTMOOR NATIONAL PARK AUTHORITY (DNPA)

a) The Inspector's Report on the Examination of the Dartmoor Local Plan 2018 – 2036, Modifications and Examination Pages was received and noted (Appendix 2).

256. TOWN PLANNING ISSUES

a) The Committee considered the additional information, as detailed in a Design Strategy and as provided by the Local Planning Authority, in respect of Planning Application 3652/20/FUL – Plymouth Road, Tavistock

The Chairman provided an overview of the current status of the 2 Planning Applications currently under consideration, and it was confirmed that the Chairman planned to attend the West Devon Borough Council Development Management & Licensing Committee Meeting, on the 14th December 2021, to present the views of the Town Council.

During the ensuing discussion, particular reference was made to;

- that only minimal changes had been made to the Planning Applications since their original submission;
- that the Applications were in conflict with the Joint Local Plan, which was the over-riding Planning Document for the area;
- that employment space requirements were still not being addressed (should have been 18,600sq²), which meant that local people would need to commute to settlements such as Plymouth and Ivybridge for work, thereby making Tavistock a commuter town;
- that there was a total lack of affordable housing for local families, which it was felt there was a great need for;
- the concerns raised that the decision on these Applications might be delegated to Planning Officers;
- the suggested extra care facility was still of immense mass and scale and would be overbearing on the entrance to the town, despite having been reduced from 5 to 4 storeys. It was felt that landscaping would not rectify this, and the Landscape Officers had suggested a building of no more than 2 storeys;
- that only 24 parking spaces had been allocated, despite it being a building of 60 units

The Chairman of the DM&L Committee would, on behalf of the Town Council, object to the Planning Applications on the basis previously submitted, that being;

- failure to deliver 18,600sq² of employment space;
- failure to deliver any affordable housing for local families;
- that the extra care facility was still too bulky and unsuitable for the area, and 4 storeys were too high

Noted That the Chairman undertook to provide a briefing note to the local press, for inclusion in the current week's issue of the local paper.

257. GENERAL CORRESPONDANCE

- a) Sports Playing Fields in West Devon – the Committee considered the information provided under the Pitch Perfect Consultation, as it related to Tavistock, with regard the provision of playing pitches in the town.

The Committee’s response was that the Consultation was welcomed, and it was felt that Tavistock was well served with playing pitches for a wide variety of sports.

258. NEIGHBOURHOOD DEVELOPMENT PLANNING (NDP)

The Chairman of the NDP Steering Group provided a verbal update, with particular reference to;

- the appointment of a volunteer Secretary to the Steering Group;
- that an informal meeting had taken place on 2nd November to prepare for the Steering Group’s next Meeting, scheduled for 8th December, 2021;
- the appointment of Devon Communities Together as the Project Manager;
- that approval had been received from Dartmoor National Park Authority for the designation of the Neighbourhood Plan Area;
- that a quote had been received from Parish Online, who provided mapping software, which might be used for designing and annotating maps useful for both the Plan and the website;
- that the next Meeting of the Steering Group was scheduled for 12th January 2022, in The Guildhall

259. URGENT BUSINESS BROUGHT FORWARD AT THE DISCRETION OF THE CHAIRMAN

No matters brought forward.

260. PLANNING DECISIONS and APPLICATIONS

a) Planning Decisions

Planning Decisions by West Devon Borough Council were attached at Appendix A. (Appendix 3).

b) NEW Planning Applications

New Planning Applications to West Devon Borough Council.

RECOMMENDED THAT the views of the Town Council, as listed in Appendix B, be passed to the Local Planning Authority for consideration. (Appendix 4).
