### **18. SERVICE PLANS 2024-25**

The Committee considered the:

#### **A. draft Corporate Service Plan 2024 -25, Organisational Risk Register and Annual Summary (Appendix 2);**

The Committee received and considered the Service Plan for Corporate Services 2024–25, together with the Annual Summary and Organisational Risk Register before proceeding to review same in the round, most especially including the identified projects/tasks, and the appraisal/reappraisal of risk.

In the discussion arising reference was made, in particular, to:-

- i. the importance attached to collaborative working, and to relevant authorities properly discharging their statutory duties, as highlighted by a recent surface water flooding incident;
- ii. the extent to which a recent change of leadership at the County Council might assist with the 'joined-up' working of various authorities, also reference to recent past challenges in securing a fair hearing from the County Council;
- iii. concerns regarding the reported recent reconfiguration (discontinuation) of Devon County Council meetings in connection with locality-based issues, and the adverse impact this could potentially have on the working relationship between the County and its partner District/Borough and Town/Parish Councils;
- iv. observations regarding the current and potential future use of the Molly Owen Centre (the Meeting was advised this was addressed in the Community Services Plan). The extent to which there was/was not capacity to take on significant new projects at a time of necessary retrenchment was noted;
- v. the range of projects and initiatives (including potentially eg Abbey Remains, mixed use facility for wheeled sports etc), also including those of a co-production/collaborative nature, as identified in the

- service planning process, associated resource/capacity/scheduling implications;
- vi. the background to the local and key performance indicators, as listed in the Corporate Plan, which were intended to promote efficient, effective and economic working practices and service improvement, also that the indicator appertaining to the level of training undertaken by Councillors drew a range of views.

RECOMMENDED THAT:

- a) The Council receive and endorse the Annual Summary;
- b) subject to the deletion of '2021-22', and its replacement with '2024-25', in Section 2 of the Corporate Services Improvement Plan, the Tavistock Town Council Corporate Services Improvement Plan 2024-25 be endorsed and adopted as the basis for the delivery of Council Services 2024-25 (see below regarding Risk Register);
- c) subject to the following amendments to the Organisational Risk Register:
  - 'C0' Deletion, as recommended
  - 'C1' the 'likelihood' score being reduced from 4 to 3;
  - 'C3' the 'likelihood' score being reduced from 4 to 3;
  - 'C4' the 'severity' score being reduced from 4 to 3;
  - 'C8' the 'severity' score being reduced from 4 to 3;

the Council endorse and adopt the Tavistock Town Council Organisational Risk Register.

B. draft **Community Services Service Plan 2024-25** (Appendix 3).

The Committee received and considered the Service Plan for Community Services 2024-25.

RECOMMENDED THAT the Tavistock Town Council Community Services Plan 2024-25 be adopted and endorsed as the basis for delivery of associated services 2024-25.

Noted That

- a) In response to a request it was agreed that a descriptor be added to the 2025-26 Service Plan regarding any changes to performance indicators and/or the underlying purpose;
- b) Particular reference was made to the importance attached to the importance of the indicator relating to updating and review of Health, Safety and related arrangements;
- c) \*Councillor Ms M Ewings arrived at the Meeting during consideration of this item.

## **19. PUBLIC SPACES PROTECTION (PSPO's) AND DISPERSAL ORDER(S)**

The Committee received and considered the Report of the Town Clerk in connection with a preliminary informal consultation regarding public spaces protection and dispersal orders (Appendix 4).

During the discussion arising particular reference was made to:

- anti-social behaviour (ASB), potential displacement and related matters;
- various views on the potential scope and application of such proposals should they be introduced;
- the extent of area(s) proposed - town wide;
- any potential for a dispersal order to extend beyond alcohol related anti-social behaviour to other behaviour (ASB).

It was noted that that, at this stage, the Town Council was only being asked to support the proposal of the Police that the Local Licensing Authority (West Devon Borough Council) proceed to public consultation. That would provide opportunity for the community, and Council, to express views upon a properly developed proposal.

RECOMMENDED THAT, without prejudice to the formal consultation, the Council support the request of the Police that the Licensing Authority (West Devon Borough Council) proceed to consult upon an alcohol PSPO, and associated dispersal powers, as set out in the email from WDBC of 1<sup>st</sup> May, 2024.

## **20. CIVIC CEREMONIAL MATTERS**

The Committee received and considered:

### **a) Chairman's Allowance**

The Committee considered the Briefing Note of the Town Clerk (Appendix 5) in respect of the above.

Following a period of discussion it was:

RECOMMENDED THAT no further action be taken by the Council on this matter at the present time, and the Council reconfirm the established practice of reviewing all budget heads at the time of the annual Budget setting round including on the basis this matter be reviewed specifically in the Autumn.

Noted That the Mayor Declared an Interest in this matter, and took no part in the discussion.

## **b) Record of Councillor Attendance at Meetings**

The Committee considered the Briefing Note of the Town Clerk (Appendix 6) in respect of the above.

During the discussion arising reference was made, in particular, to:

- the methodology adopted by West Devon Borough Council (WDBC);
- the merits/drawbacks of different approaches and methods of data presentation, or even of reporting at all;
- the role of apologies and whether attendance 'ranking' was/was not helpful.

RECOMMENDED THAT, commencing in the 2024–25 Civic Year, Councillor attendance be recorded on the basis as adopted by WDBC ie for each Councillor:

1. Total expected attendances;
2. Present as expected;
3. Apologies received;
4. Absent (inc. Apologies)

## **21. MARKET ROAD COTTAGES**

The Committee received and considered the Briefing Note of the Town Clerk (Appendix 7) in respect of the above.

A discussion took place with particular reference being made to:

- the potential for either a Veterans' Association, Housing Charity or equivalent to be offered the control of the properties under a lease, so they continued being available as residential properties. The Town Council would retain ownership, but the risk, management and control pertaining to the properties would be passed on;
- similarly, whether the Local Housing Authority (West Devon Borough Council) might be interested in utilising the properties as temporary housing;
- the merits and/or drawbacks associated with the Town Council retaining ownership of the properties, now that a primary reason for purchase was no longer applicable (i.e. to allow access to the rear of The Guildhall when the refurbishment works were being undertaken).

RECOMMENDED THAT initial enquiries be made of social housing providers (see above) to identify the extent of interest in utilisation of the properties on a leasehold basis for the provision of housing for local or other priority accommodation groups and associated options.

Noted That:

- a) relevant factors such as recent rent levels, council tax banding etc would be collated to assist providers in coming to a view. Members with contacts with same would take 'soundings';
- b) the value attached to a plan led, streamlined and efficient approach to Council business was noted alongside the benefits, drawbacks and capacity implications of different ways of working.

## **22. COUNCIL WEBSITE**

The Committee received and considered the Briefing Note of the Town Clerk (Appendix 8) in respect of the above.

In the discussion arising particular reference was made to:

- The obligations associated with accessibility compliance requirements WCAG 2.1AA Rating;
- Options available including migration or full procurement and associated time/cost/capacity implications;
- Subject to minor changes the fitness for purpose of the current website – both for users and administrators;
- An update, namely that migration, if adopted, would be to wordpress and not Drupal 10 – thereby representing a more cost efficient option for future maintenance/upgrades.

In the circumstances, and with particular regard to the reduced cost and capacity implications of migration, it was:

RECOMMENDED THAT subject to the satisfactory outcome of the necessary due diligence to ensure continuity and quality of offer and cost efficiency within the approved budget, Tavistock Town Council progress the migration of its website via its current provider.
